Fluently Add within 100

- Do you like to swim?
- It takes you 34 seconds to swim from one end of a pool to the other. It takes you 38 seconds to swim back. How many seconds do you swim in all?

Chapter Learning Target:

Understand addition.

Chapter Success Criteria:

- I can identify addition patterns.
- I can explain which strategy I used to write a sum.
- I can write a sum.
- I can solve addition problems.
