About the Practice Workbook and Test Prep

Extra Practice

The Extra Practice exercises provide additional practice on the key concepts taught in each section.

Review & Refresh

The Review & Refresh exercises provide students the opportunity to practice prior skills to improve retention.

Self-Assessments

For every section and chapter, students can rate their understanding of the learning targets and success criteria.

Test Prep

Each chapter contains a cumulative test to prepare students for standardized test questions, including multiple choice, multi-select, gridded response, and fill-in-the-blank.

Post-Course Test

The Post-Course Test measures students' understanding of all content in this course. This assessment is designed to prepare students for standardized test questions, including multiple choice, multi-select, gridded response, and fill-in-the-blank.
